PALACE
TOWER

ELEVATE YOUR WORK AND LIFE
IN THE ICONIC PALACE TOWER

ONE OF A KIND ICON

Tenants and visitors can expect to be impressed by Palace Tower's recent refurbishments which include:

- State-of-the-art conference & event spaces
- A stunning new Wellness Studio on level 21 which commands views over the Swan River
- Modern upgraded End of Trip facilities which are the epitome of convenience and comfort
- Inviting lobby spaces to meet, collaborate and socialise

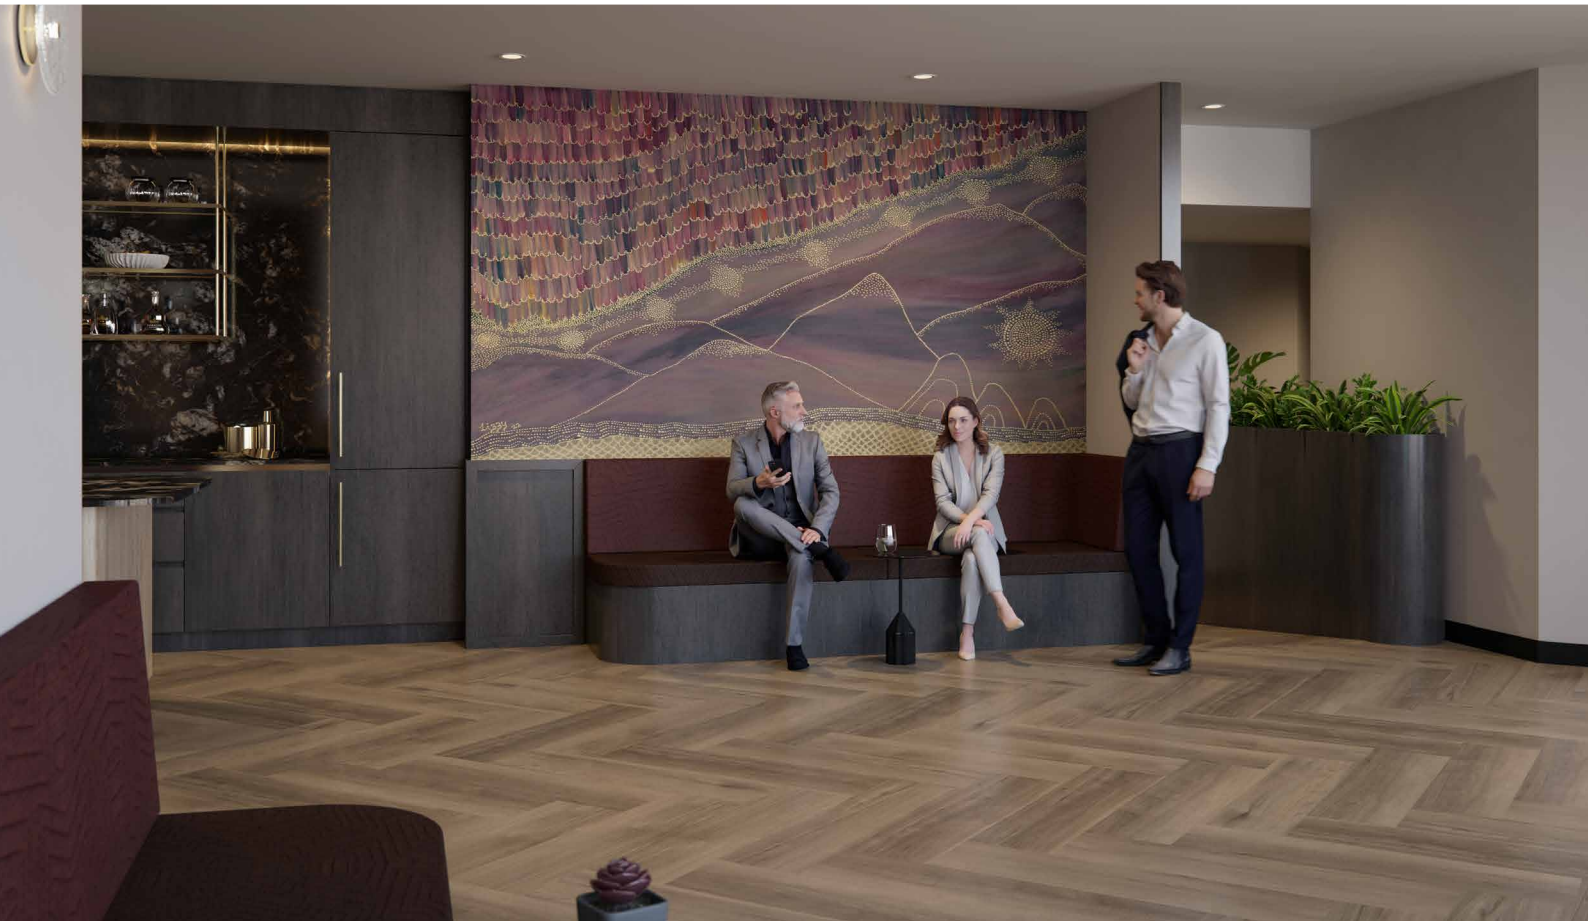

INVITING SPACES

Since 1988, Palace Tower has been an icon in Perth CBD's skyline.

Designed by architects Cameron Chisholm Nicol, the 51-storey tower is known for its incredible panoramic views of the Derbal Yerrigan (Swan River), surrounding city landscape, Kings Park, and Perth Hills.

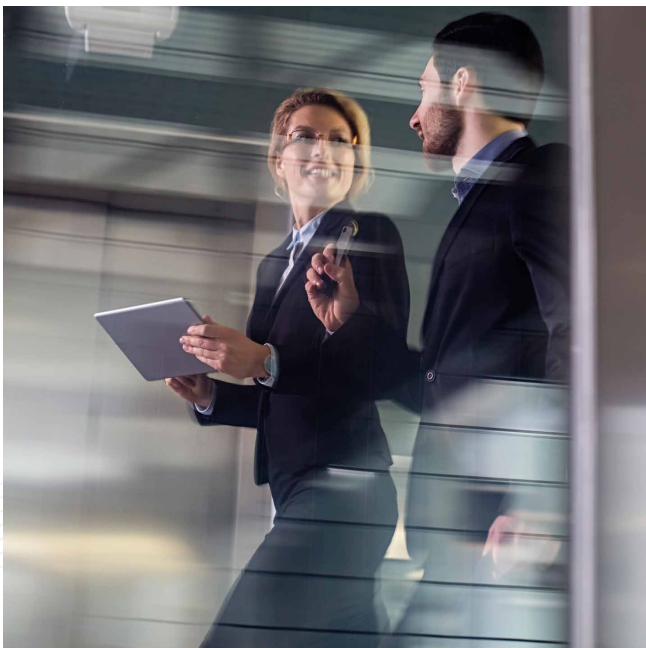

Palace Tower offers premium, contemporary interior office spaces, full of natural light and impressive finishes.

REVITALISATION

Rich with history and prestige, Palace Tower has been refurbished to reflect the needs of a sophisticated, thriving business community.

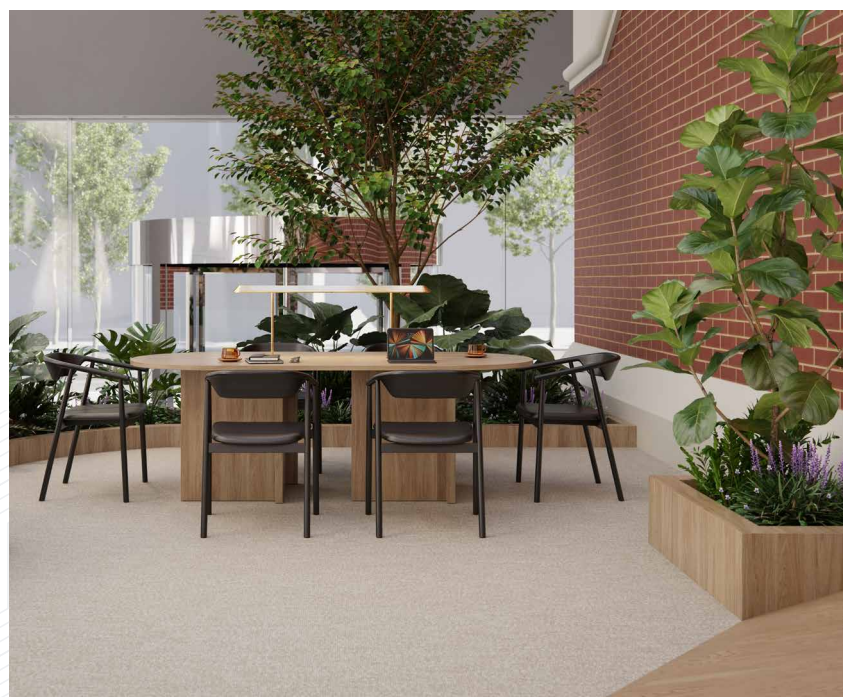

PREMIUM WORKSPACE

Based in the heart of Perth, tenants and visitors can expect charming and vibrant spaces, architecturally designed to foster productivity and encourage collaboration.

COLLABORATE & SOCIALISE

Designed and refurbished with collaboration in mind, the rejuvenated and newly created spaces throughout Palace Tower provide the optimum location to meet, discuss and conduct your business.

SUSTAINABILITY

Experience a truly sustainable workspace. Palace Tower boasts exceptional sustainability credentials, reflecting our commitment to a greener future. Tenants also have access to hire a share Mini EV car.

REFINED CHARM, PREMIUM SPACES.

A CENTRE FOR CONNECTION AND CREATIVITY

ENTRANCE STATEMENT

There are few grander lobbies in the Perth CBD than that of Palace Tower. Filled with natural light, the lobby seamlessly connects the old-world charm of the heritage listed Palace Building and the modern presence of Palace Tower.

Soon to include one of Perth's leading café brands, La Veen.

STYLE & PRODUCTIVITY

When you enter the business lounge, you will immediately be transported to a calm and luxurious space designed to encourage collaboration and productivity.

The business lounge offers private booth lounges, café style seating for informal meetings or lunch dates and comfy lounges where visitors and tenants can relax for a catch up with a coffee.

WELLNESS FOR WORK

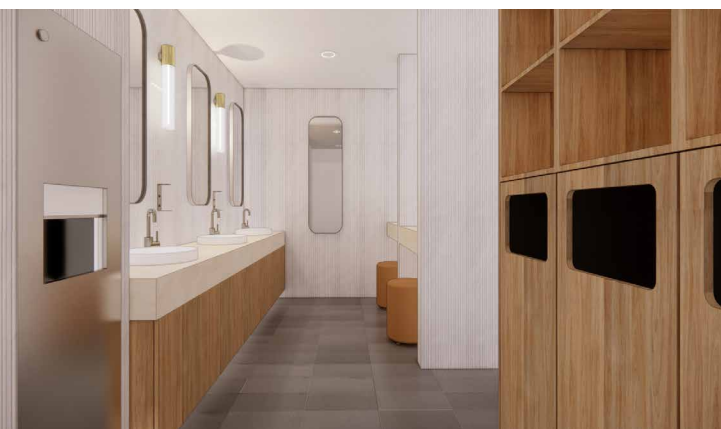

With an unbeatable Swan River view from Level 21, you'll find a wellness space equipped with a selection of cardio equipment including Peloton bikes, treadmills and rowing machine for a high intensity workout. Classes such as Pilates and Yoga will be offered for enhanced wellbeing.

END OF TRIP

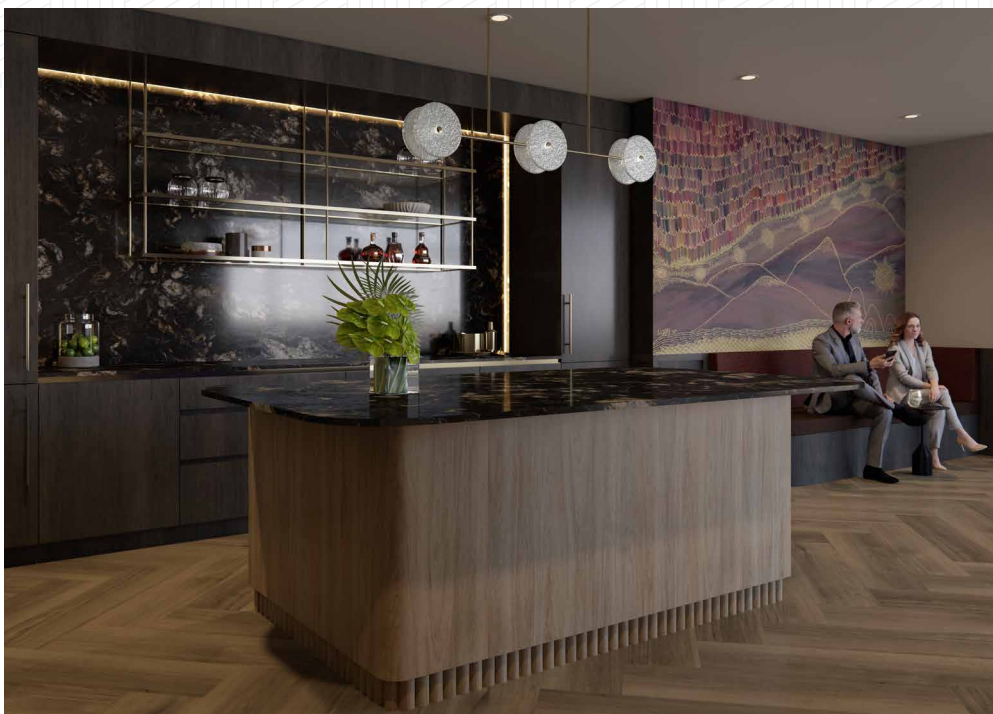

Palace Tower's end of trip facilities provide the perfect space to refresh and recharge.

After a ride, run or yoga class, take a moment to yourself in our Wellness Lounge. There you'll find a hydration station, the latest newspapers, a station to charge your devices before you continue with your day, secure lockers, spacious changing areas, showers and a state of the art drying room.

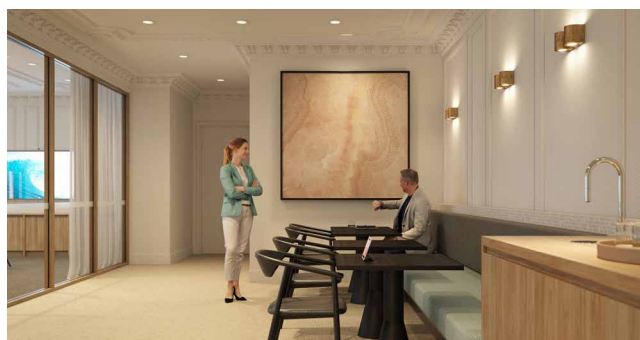

CONFERENCE AND EVENT SPACES

If you're looking for a conference space to impress, look no further than Palace Tower's executive boardroom and event space located on the very top level of the tower. With breathtaking views of the Swan River across to Rottnest Island, this unique event space is unmatched in the Perth CBD.

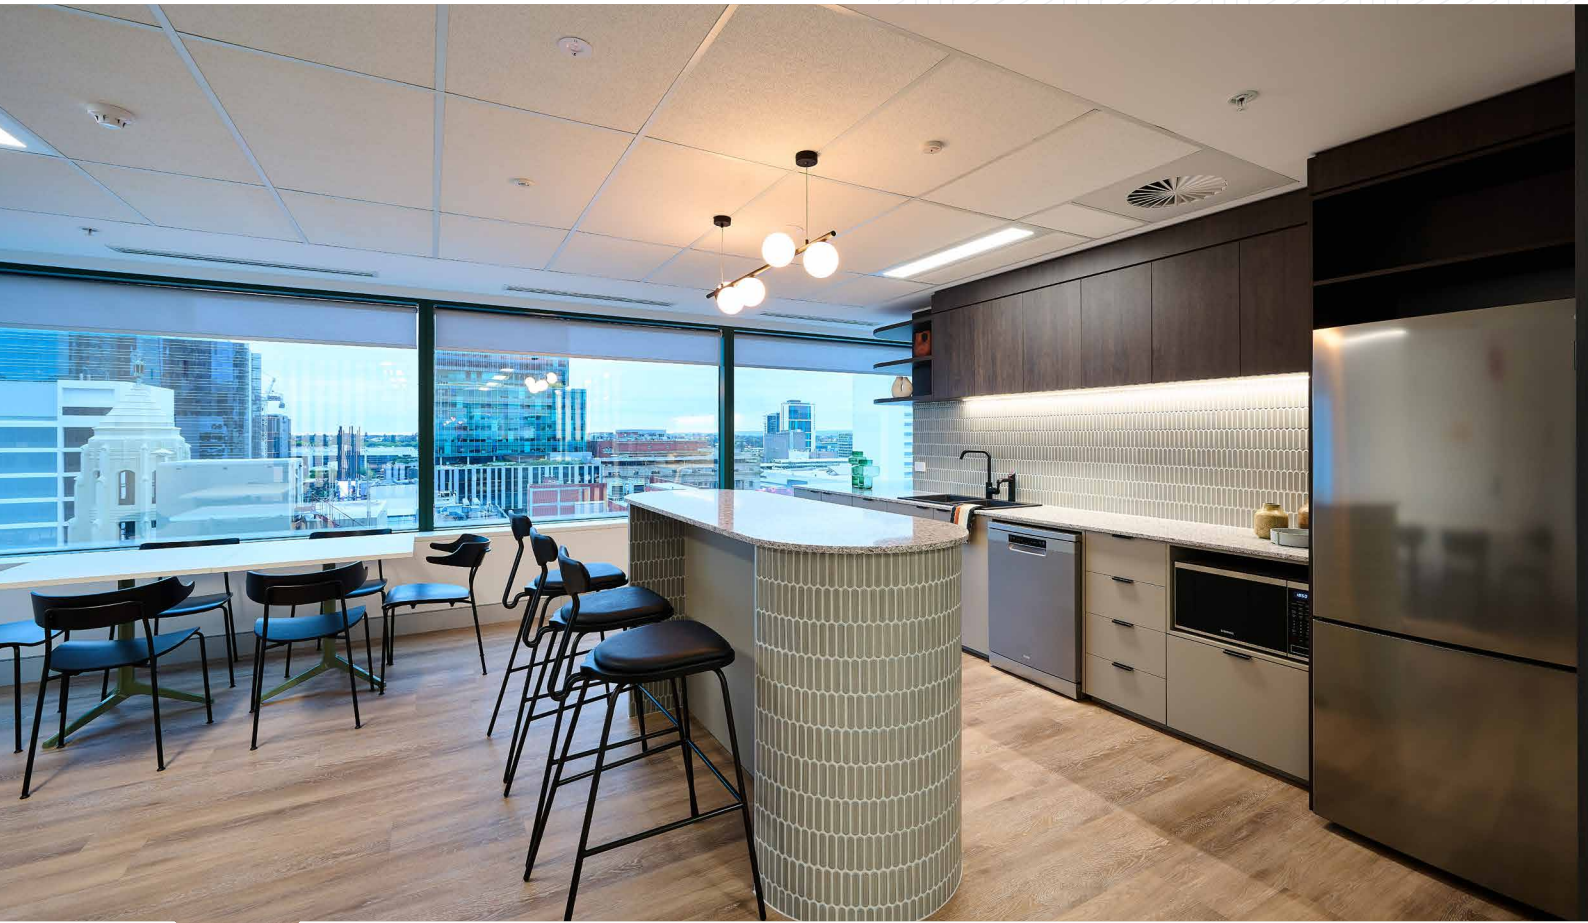

Ground Floor Conference Facilities.

Once a beloved piano bar, the newly refurbished ground floor conference facilities capture the Palace Building's rich history through stunning design. This space is ideal for presentations, training sessions and executive meetings.

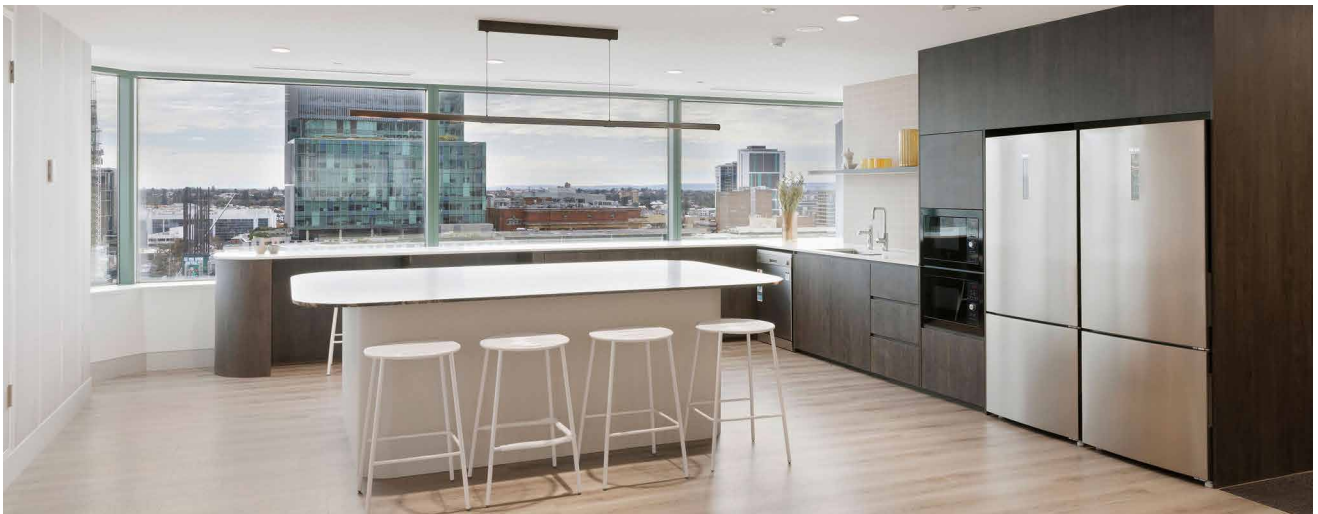

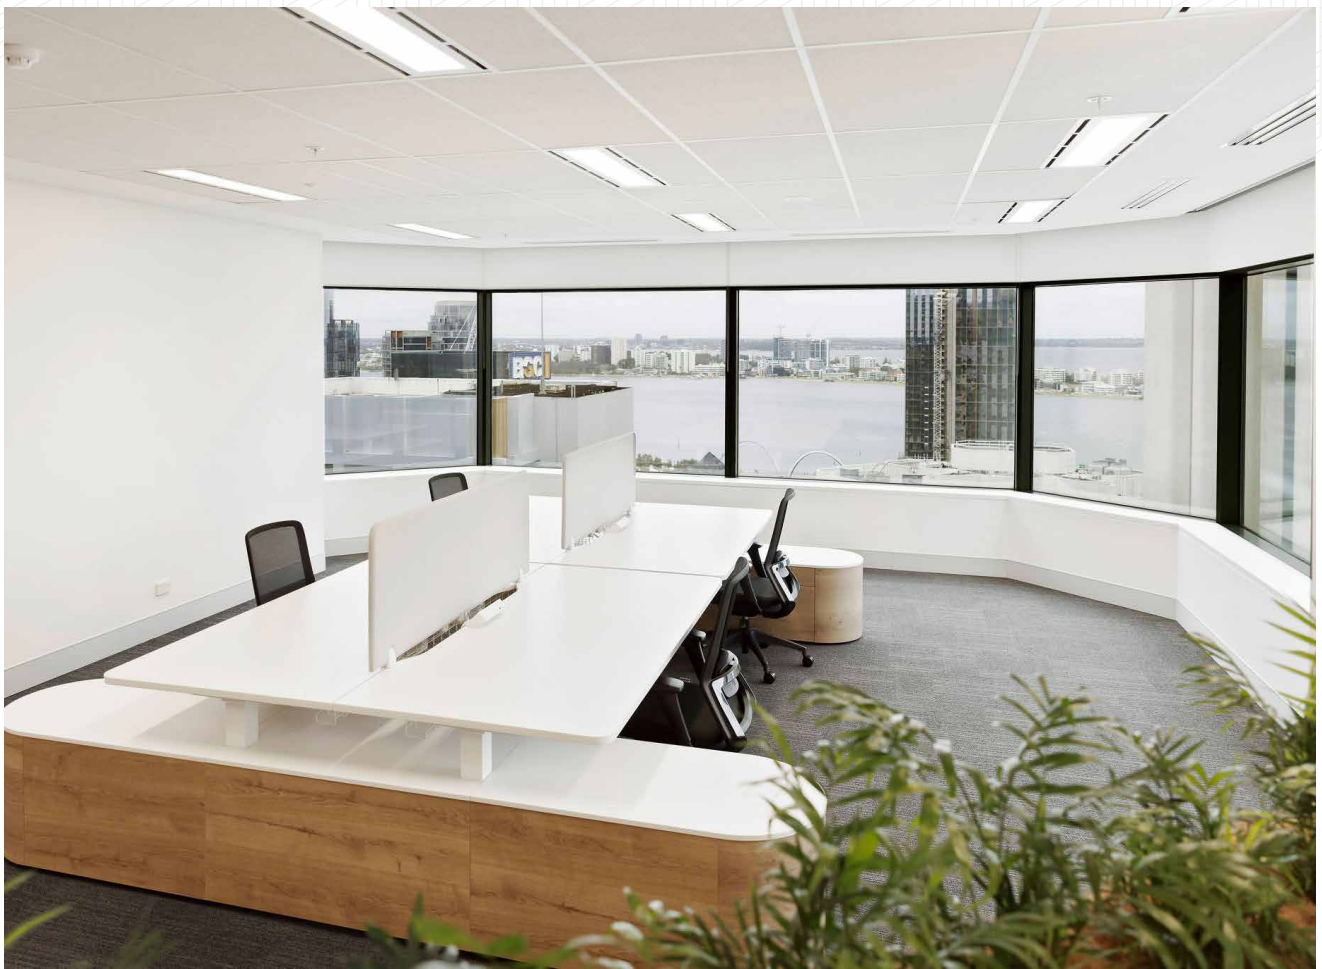

SETTING NEW STANDARDS IN ICONIC OFFICE SPACES

PREMIUM WORKSPACES

If you desire a turnkey solution, Palace Tower offers brand-new high-quality fitouts complete with stone benchtops in kitchens, data and power cabling, quality workstations and meeting room furniture and quality appliances.

The adaptable floorplates easily allow a 1:10sqm ratio, with unparalleled, panoramic views of the Swan River, surrounding city landscape, Kings Park and Perth Hills.

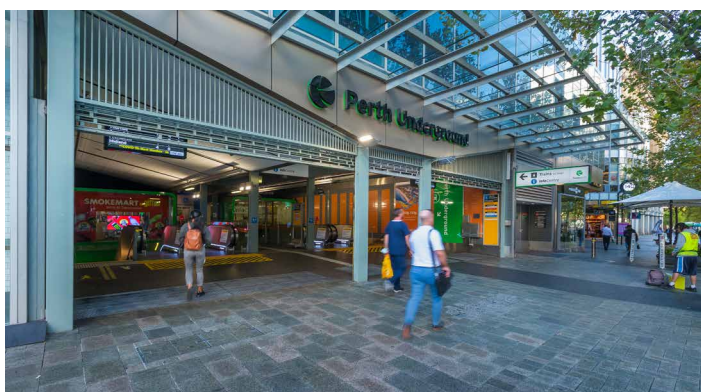

SETTING NEW STANDARDS IN ICONIC OFFICE SPACES

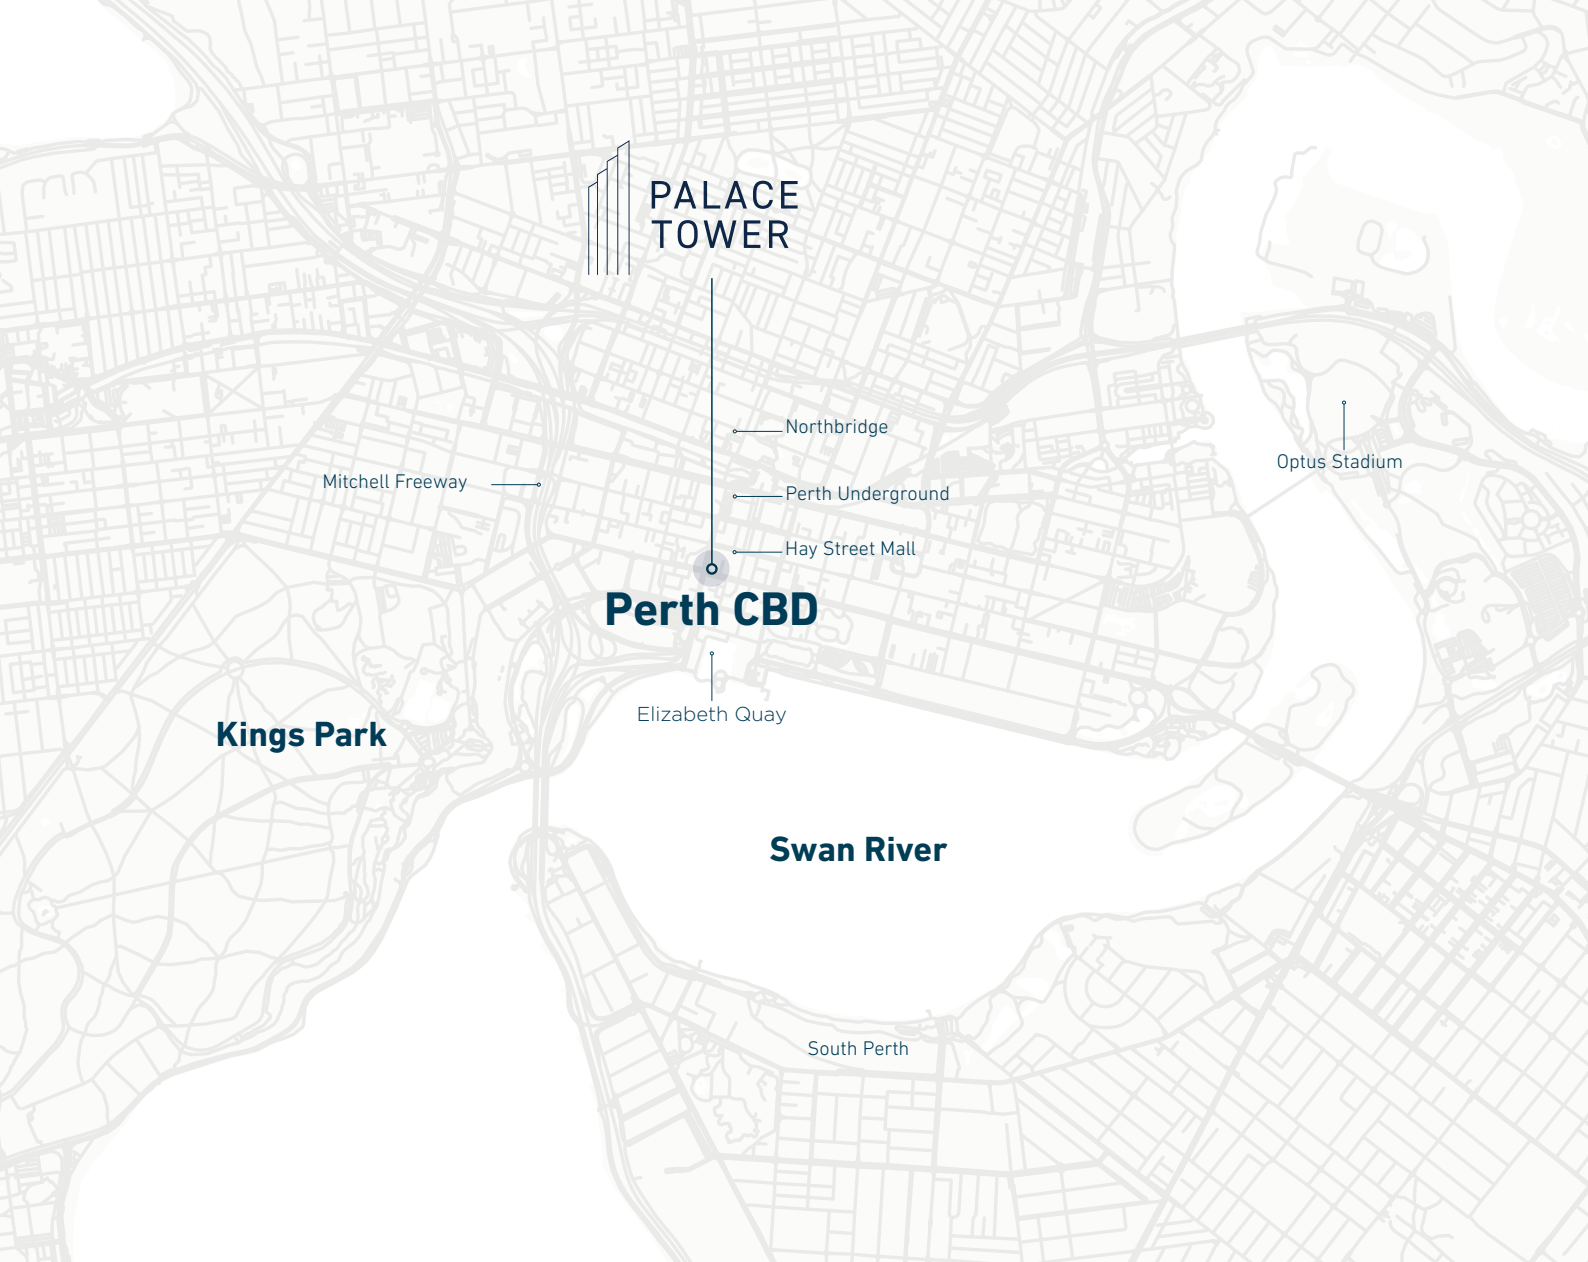

UNRIVALLED & INSPIRED

Situated in the heart of Perth CBD's business district and close to the main attractions, amenities and features of the city, Palace Tower is one of Perth's premier business locations.

Palace Tower is uniquely located near two main train stations, a bus port, parking facilities and river ferry.

Close to award-winning bars and restaurants, the entertainment precinct, and a stone's throw from the iconic Elizabeth Quay, meeting and entertaining clients has never been more convenient.
